

# Banff, AB

## April 11 - 15, 2018

# Membrane Proteins in Health and Disease

61<sup>st</sup> Annual Meeting of the Canadian Society for Molecular Biosciences  
The Banff Centre, AB Canada

## Plenary Speakers

**Keynote speaker:**

**Sriram Subramaniam**      **Senior Investigator, Laboratory of Cell Biology, NCI/CCR**

**John Rubinstein**

**Sick Kids Hospital, Toronto**

**Leonid Sazanov**

**Institute of Science and Technology Austria**

**Rajini Rao**

**John Hopkins Medical School**

**David Stokes**

**New York University**

**Gaia Novarino**

**Institute of Science and Technology Austria**

**Poul Nissen**

**Aarhus University**

## Speakers

Christopher Koth

Genentech

Isabelle Bacongus

Vollum Institute

Chris Brett

Concordia University

Martin van der Laan

Saarland University

Barbara Niemeyer

Saarland University

Bruce Morgan

University of Kaiserslautern

Joanne Lemieux

University of Alberta

Joe Casey

University of Alberta

Harley Kurata

University of Alberta

Terry Hebert

McGill University

Lisa Munter

McGill University

Trevor Moraes

University of Toronto

Nina Jones

University of Guelph

Janos Peti-Peterdi

USC

Derek Bowie

McGill University

Jan Rainey

Dalhousie University

Mark Parker

University of Buffalo

Tuan Trang

University of Calgary

Ellen Lumpkin

Columbia University

Susan Cole

Queen's University

Anika Hartz

University of Kentucky

## Satellite Meetings

Membrane proteins and pH homeostasis

SMA lipid polymer for membrane protein analysis
