Golden yellow colour. Nose reveals pure and opulent fruit, grapefruit, blackcurrants, ripe apricots and peaches, honey and hints of honeydew melon, wisteria and white blossoms in the background, tropical fruit. On the palate excellent weight, balance and length.

Medium deep golden colour. Very fine and nuanced nose, fine oak, vanilla, saffron, apricot and candied citrus. The palate has a very high concentration without heaviness, excellent freshness, layers of stone fruit, fine spices and a very long nuanced finish, excellent potential.
