

AUSTRIA

WEINGUT WINKLER HERMADEN OLIVIN 2012

Südoststeiermark

85/100

Very youthful colour here, intense blue-purple core. Youthful nose as well. Displaying dark plum, fresh berries. No oak ageing. Also some slight hint of almost like a hint of yoghurt, some lactic notes. Palate has medium weight with youthful and fresh fruit. Crushed berries fruit with plum. There is a lot of pepperiness here and quite youthful, quite austere tannin present. Fresh acidity and a medium towards long finish.

Attractive fruit but it should need some time for the tannin to integrate.
